

The image features three light-colored flowers, possibly lotuses, on thin stems, set against a textured, light-colored background. The flowers are arranged in a slightly curved line across the upper half of the frame. The central flower is the tallest and most prominent, flanked by two shorter flowers. The overall aesthetic is minimalist and elegant.

ABOUT THE BRAND

We see ourselves as the embodiment of a relaxed lifestyle. Our simple, beautiful design serves as a reminder of the importance of disconnection and comfort. We realized this one afternoon, when, together with our family, we discovered how essential it is to feel special in any space, surrounded by a fragrance that reflects our personality.

Over the years, we felt the need to create a collection of scents that could cultivate a sense of well-being and enhance our enjoyment of the privacy of our home. Thus, our collection was born, crafted to embrace a philosophy of relaxation, perfect for wandering thoughts and moments of pause. These candles, perfumes, and diffusers will help you enhance your positive side while adding a pleasant and serene touch to your environment.

Imagine unwinding with a cup of coffee as your home transforms with the essence of The Olphactory, renewing your thoughts and uplifting your spirit. Each product is designed to blend uniquely, allowing you to discover the perfect balance that resonates with every moment of your day. Let our fragrances envelop you and turn your space into a sanctuary of tranquility and well-being.

THE FRAGRANCE LIBRARY

THE OLPHACTORY

WHITE / INSIGNIA

ABOUT THE COLLECTION

By choosing the name "Insignia," we want our customers to perceive that they are experiencing something beyond the ordinary. Each scent becomes a unique piece, standing out in its quality and distinction. This name reinforces the idea that these fragrances are not just products but exceptional expressions of olfactory craftsmanship that deserve recognition and appreciation.

Simplicity becomes a virtue, and simplicity is the key to distinction. This collection is a testament that elegance doesn't need to be complicated; it can be found in the purity of the simplest elements.

With White Insignia, The Olphactory redefines the art of perfumery, releasing the essence of freshness and elegance in an unbound sensory experience. A collection that goes beyond conventions, celebrating simplicity with the same intensity it celebrates complexity.

The white vessels of White Insignia are not mere containers; they are capsules of mystery holding the secret of fresh and enveloping aromas. Their whiteness shines like a canvas for an invisible masterpiece, where each note is a stroke that awakens the imagination and elevates the senses.

“fresh and enveloping aromas.”

The white vessels, with their unparalleled purity, embody simplicity taken to the highest expression of elegance. The delicate shape and absence of superfluous adornments transform each vessel into a statement of sophistication that seamlessly integrates into any environment.

“ THE DOOR IS OPEN ”

We have opened the doors for you to enter our universe of unique fragrances. Step into a realm where each scent is a journey, a symphony of notes crafted to captivate your senses. Our collection is an invitation to explore the artistry of fragrance, where every bottle holds a story, and every essence is a distinctive masterpiece. Embrace the allure of our exclusive perfumes, and let the aromatic melodies transport you to a world of unparalleled sophistication and elegance. Welcome to a fragrance experience like no other, where each visit is a discovery of olfactory wonders waiting to enchant you.

THE
OLPHACTORY
ZEST

NEW COLLECTION

about the collection

Welcome to The Olphactory Zest, our vibrant new collection created especially for this summer!

At The Olphactory, we've reimagined the classic essence of citronella, elevating it with fresh, luminous verbena and the serene touch of bamboo. This unique blend not only refreshes your indoor spaces but also transforms your garden into a peaceful haven of calm and vitality.

We chose the name Zest because it perfectly embodies the spirit of this collection: freshness, energy, and a special vibrance that enlivens any space. In English, "zest" evokes vitality, dynamism, and the bright, invigorating quality of citrus peels—a perfect symbol of nature and refreshment.

The Olphactory Zest isn't just a collection; it's an experience crafted to celebrate sunny days and the beauty of the outdoors. Get ready to embrace a summer where freshness takes center stage!

BAMBOO + CITRONELLA

NEW COLLECTION

The blend of bamboo and citronella inspires freshness and balance. Bamboo, with its green and delicate essence, evokes tranquility and a deep connection to nature, while citronella adds a vibrant and refreshing touch that cleanses and revitalizes. Together, they create a fragrance that exudes harmony, vitality, and peace in every moment.

**RENEW OR FADE AWAY?
WE'VE CHOSEN TO RENEW.**

ABOUT OUR RESTYLING AND COLLECTION

Lacrosse has become the first of our brands to undergo a restyling, marking an exciting step forward in our journey. With this renewal, we aimed to bring a fresh and contemporary feel while preserving the original essence that defines it.

This restyling not only modernizes its image but also reflects our vision of staying attuned to the times and forging a closer connection with those who choose us. Lacrosse remains a benchmark for style and quality, now with a renewed design that enhances its unique personality and seamlessly fits into any space.

Moreover, we stay true to our inspiration: fragrances that draw from the purest elements of nature. Each scent is crafted to transport you to natural landscapes, filling spaces with the freshness, tranquility, and energy that only the natural world can provide.

This marks the beginning of a new chapter for the brand, where tradition and modernity come together to continue inspiring and connecting with what truly matters.
